November 2003

DIGITAL IMAGING
November 10 Program by Lisa Geiselhart
and Vic Krasenics

Lisa and Vic are excellent photographers and we have enjoyed their slides and prints in competition. They both are using digital imaging for their current work and in this program they will be sharing simple and more advanced techniques including use of digital camera, handling digital files on the computer, photo CD, scanning of slides and prints. Come learn, ask questions and see some of their work as they lead us in this program.

APPEL'S MOVE TO FLORIDA

And leave a special gift behind Aurelle and Ted are living in Florida yet they will be traveling North when the warmer weather in the spring. They left us a wonderful gift. We thank them for donating a NEW PRINT CASE so that we can send out prints to NECCC for print competitions. This month (November) we will have our first venture in outside print competition. It wasn't so long ago that we had only two or three competitors in prints. Now we have two separate classes with 8-10 regular entrants. We are equally strong now in both slide and print competition.

HOLIDAY PARTY COMING

Monday December 8th.

The details will be in the next edition of Close Ups. We are trying to go to the same place as last year- Pompeo's in Branford, West Main Street. They have a separate room and we have been having a dinner buffet. \$10 grab bag gift-bring a wrapped gift and we will find a creative way to distribute them. The grab bag is optional however if you participate we ask that you come as close to the \$10 value as possible.

Mini Slide Show- you are encouraged to put together a slide show in any topic. The maximum number of images should be 40 and the time limit is five minutes. A musical background or narrative often adds to the enjoyment of the show. If you have the ability and the equipment to produce a digital presentation, you may do that in place of slides.

We encourage you to bring family or friends to share in this event.

4/SALE

Jane Sibley would like to sell the following items:

SLIK Universal Tripod #U212 Delux It is brand new

TAMRON AF 200-400 for Nikon System Case Included. See Jane at a meeting or call her at 248-9291 if you're interested.

WINNERS OF NECCC MODEL PRINT CONTEST ANNOUNCED

There were 1100 prints to judge and more than a 1000 smaller prints were sent in. The results (pictures and names) are on the NECCC web site. Cash prizes were awarded for First, Second, Third and Most Prints. In addition, there were ten honorable mention winners listed. Art Yost of New Haven CC won an honorable mention and just edged out Malcolm Anderson for most prints. Art received a plaque and \$75 award for his efforts.

REMEMBER CATEGORY COMPETITION

Competition Night, Monday November 24 the category is "graffiti." Open competition can be of any topic in slides, prints and snap shots. Winners of category are scored by in or out rather than numerically. There is no competition in December with the banquet as our only meeting, (see article about mini slide shows)

From the Editor

GETTING THE MOST OUT OF PHOTOGRAPHY AND THE CLUB

Now that the days are getting shorter and the leaves are quickly falling I am in my usual state of angst as I look over my "possibles" for entry into competition. And I always seem short of haying-enough for Jan-Mar. competitions. For April May I figure the weather is getting better again. However, short of "going south," there are still plenty of photo opportunities. First, some people actually like shooting in cold weather and want snow to blanket the unattractive ground. Also, if you hurry there is still some color to be found in the trees. The shorter days also can increase natural light opportunities in your home as the sun is at a lower angle. Still life and portrait photography indoors make for great subject matter. Then there's always your pet or a neighbors who can be coaxed.

WORK SHOPS- we would love for you to help us plan a workshop that is geared to what your interests happen to be so let us know what might interest you as a hands on experience.

WEB PAGE- be sure to go to our web page for the latest information about your club. Also, if you have not done so already, give your e mail address to Lisa Geiselhart and you will receive a lot of information about photography. Lisa.geiselhart@yale.edu

NECCC

Photography Conference

July 16, 17, and 18th. 2004

Check us out at www.neccc.org

Results: Sept 2003

Winners Sept. 2003
