At the last regular meeting of the Club on May 8, 2006, 28 members present selected from a list of 40 possible topics for next year's assigned subjects. The selected assigned topics for 2006-2007 are shown above in the schedule for next year.

Every topic on the list received at least one vote and the winning topics all received 9 or more votes. Of the people voting, 12 said they would be interested entering an electronic photograph assigned topic competition if the Club decides to hold one (2 said "probably yes" and 1 said "Please!!"). That discussion will be part of the upcoming Summer Executive Committee meeting.

## Field Trips

The Field Trip Committee has scheduled a variety of different field trips for the Summer, and Fall. This is one of the most valuable services offered by the club.

**Les Campbell's farm** in Massachusetts offers a variety of nature subjects. The Club is currently scheduled to go on **June 17, 2006**, though the date may be moved back to the 24<sup>th</sup> if Les feels that would be a better day. For more information on meeting place and timing contact Gary Prestash at [gprestash27@comcast.net](mailto:gprestash27@comcast.net).

**Coastal Maine and Lighthouses (part 2)**. Last year Linda took us to the first third of coastal Maine. This year's trip on **Sept. 21-24, 2006**, will be an extension of last year's trip—going up to the second part of coastal Maine. The main attractions of the trip are Camden, Bar Harbor, Deer Island, and Cape Neddick. The trip will include sunrise & sunset visits and many desirable places to have lunch & dinner. This promises to be an excellent trip!! Please email Linda for more info. [HumBrd001@aol.com](mailto:HumBrd001@aol.com). Attendance will be limited so contact Linda promptly to be sure of securing a spot.
